itinerary highlights

day 1: sunday, may 30

We will enjoy a panoramic tour along the coast viewing vistas of the Mediterranean Sea. We will stop for a wine tasting at a private vineyard to toast our arrival in La Cote d'Azur. We will enjoy a light evening reception with the rest of the time at leisure.

day 2: monday, may 31

We will drive to Saint-Paul de Vence. Lunch will be enjoyed at a gourmet restaurant with a panoramic view. In the afternoon we travel to Grasse for a perfume workshop in the laboratory of Molinard where we will create our own perfumes based on which fragrances match our skin type and personality.

day 3: tuesday, june 1

We meet with our regional culinary experts and take a market tour showcasing the local delicacies. Then we depart for the medieval town of Eze, where we will enjoy lunch at a panoramic restaurant. You will be enchanted by this magic village which remains untouched. The numerous small arts and crafts boutiques are hard to resist... some of them are like tiny caves dug out of the rocky hill-side.

day 4: wednesday, june 2

Private transfer to Nice airport for flight to Paris. We will meet our resident guide in Paris and enjoy a panoramic tour including the Eiffel Tower, the Louvre Museum, Montmartre district and Notre Dame. Check-in to our deluxe hotel and take a delightful afternoon walking tour, ending with some refreshments at one of Paris' newest hot spots.

day 5: thursday, june 3

After a leisurely morning, we will travel towards the Louvre and reach the former Louis XV's sommelier caves which have been restored to create an original tasting place. During a cheese and wine pairing lunch, we will discover 5 wines of different regions with cheeses. Afternoon at leisure OR Transfer to Versailles for afternoon visit to the chateau with its glittering Hall of Mirrors which was used by Louis XIV as a council room, and the gardens which were laid out by the great landscape artist, Le Nôtre.

day 6: friday, june 4

Enjoy a visit to the famous Poilâne Bakery. Continue to the "Grande Epicerie" du Bon Marché, one of the most interesting food emporiums of Paris where caviar, cheese and other delicatessens are set as jewels! Follow on to the Hermé deluxe pastry shop. To feel the real Parisian food ambiance, we cannot miss the Famous Rue de Buci's Street Market, one the best open air markets of Paris.
